SUMMARY:

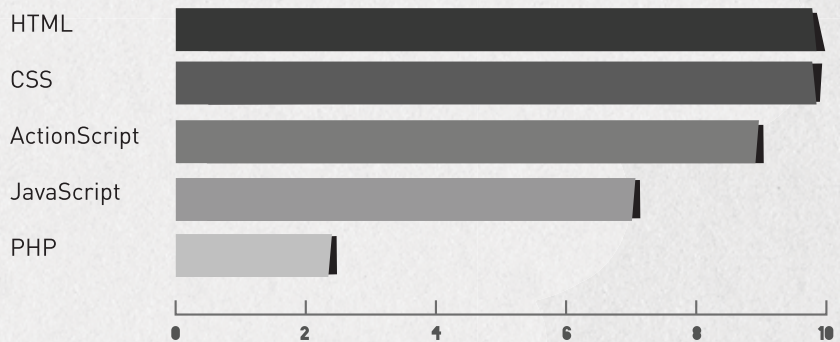

I am a Graphic and Web designer based in Adelaide currently running Elk Creative web and graphic design studio.

I have worked with many large local and national Advertising Agencies and companies. While I have a web background and love all things digital, I have a strong print and brand sense with the ability to run and develop both high level print and digital media projects.

PROGRAMS:

LANGUAGES:

EMPLOYMENT:

Elk Creative 2004 - current

Role: Managing Director - Senior Designer

Duties: Day to day running of Elk Creative, working with clients maintaining current projects and developing new projects. Overseeing projects from conception to completion, producing high end web and graphic design while working with and managing outsourced developers.

DMG Nova Radio: 2008 - 2009

Role: National Senior Designer

Duties: Running cross brand promotional Web and Print projects for national brands to a wide scale digital media audience. Co-ordinating various small team projects, developing pitched sales ideas both conceptually and visually. Creating brand awareness and consumer loyalty for Nova Radio, 5aa Radio, Vega Radio and all project based brands

NishNish 2003-2004

Role: Senior Designer

Duties: Working with clients to brief, quote and project spec. Managing a small design team to design and develop web and graphic design while still creating outstanding products for digital and print projects

Groundhog 1999 - 2003

Role: Web / Multimedia Designer

Duties: Creating products for digital media projects including web and graphic design, web development and animation
